# ONCE UPON A TIME...

## An african Christmas story

## Little Africa

Little Africa is the name of the children's home run by Help for the Maasai. Here are living 26 children (mainly girls) whose home environment does not allow them to stay there. As the concept of foster families is not yet established in Tanzania, we were asked to offer a safe and loving environment for children in need of protection. We are very happy to do this and it is a joy to see the children blossom.

Here is a little insight:

1 A difficult path

3 Good news for all people

# The birth of Jesus

"But some people did accept him. They believed in him, and he gave them the right to become children of God."

John 1:12

2 Where to?

4 Jesus, the Savior is born!

The original can be read in Luke 2:1-20
